◆ Dr. Edward H. Hammond - President ◆

Dr. Edward H. Hammond, is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, Dr. Hammond was born in McAllen, Texas, but reared in the Kansas City, Kansas area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois, Purdue, and Missouri-Colum-

bia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for a cooperative educational initiative between FHSU and the community colleges in Western Kansas; has watched his dream to totally computerize the campus become a reality; created an organization comprised of business and community leaders from 54 Western Kansas counties and helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal.

He has played a major role in furthering economic development in Hays and Western Kansas and introduced a voice mail system that vaulted the

foreign language efforts of FHSU into an elite class. He prompted the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to a new location soon on Interstate 70. He obtained federal and state funding for the university's new \$12 million science building and completed a \$20 million Capital Campaign to raise private monies for the enhancement of many university programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

◆ Tom Spicer - Director of Athletics ◆

Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989. Spicer begins his eighth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, Oklahoma, Spicer attended secondary schools in Hays. He is a graduate of Hays High

School and earned a bachelor of science degree from Fort Hays State in 1972. He played varsity football for the Tigers during his collegiate days. Spicer received his master of science degree from FHSU in 1977.

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. A new two story pressbox on the west side of the stadium is currently under construction. His fundraising efforts have led to improved funding of the Tiger athletic programs, allowing student athletes the opportunity to attend FHSU.

Prior to making the move back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, Oklahoma, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, Kansas.

Spicer is married to the former Kathy McGovern of Denver, Colorado. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

◆1996 Tiger Football Outlook◆

◆1995 Review◆

The 1995 Fort Hays State University Football team won a school record eight games for the fourth time in head coach Bob Cortese's six years at FHSU. The Tigers 6-0-1 Rocky Mountain Athletic Conference record tied them for the top spot in the league with Western State(CO). An 8-1-2 regular season record earned the Tigers their second trip to the NCAA II playoffs where they fell on the road to Texas A&M-Kingsville. FHSU has advanced to postseason action three times in school history all coming under coach Cortese, twice to the NCAA II playoffs(1993 & 1995) and the NAIA playoffs in 1990.

Gone from the 1996 squad will be seven first team RMAC performers five from the offense and two defensive standouts. Quarterback Shawn Behr and receiver Lance Schwindt earned first team All-America honors a year ago. Behr finished the 1995 season as the top ranked quarterback in NCAA II. Tailback Clint Bedore and offensive guard Woody Bryant were two-time All-RMAC selections. The fifth RMAC offensive standout Kahn Powell excelled both as a receiver and return specialist. Finding a replacement for three-time All-RMAC linebacker Jose Salcido and three-year starter at defensive tackle Daren Organ(All-RMAC in 1995) will be a challenge for the Tiger coaching staff. Behr, Schwindt, Organ, Salcido, Powell and Bryant(2nd team) were named to the All-West Region football team.

◆Offense◆

Offensively, the Tigers return six starters four of those being offensive linemen from the leagues top ranked offense. Junior quarterback Joel McReynolds should be

the starter following an impressive spring. McReynolds mobility gives the Tigers versatility to run or pass. Backfield veteran Emmett Pride returns after missing six games with an injury in 1995 but the speedy tailback still managed to rush for 339 yards. A healthy Pride should carry the load in the backfield this season. Tailback Tahki Bannister from Allan Hancock Community College should be an immediate impact in his first season in the Black & Gold. A broken ankle in early fall drills cost the Tigers their returning starter at fullback. Senior Aaron Rusher and redshirt freshman Andy Pfannenstiel are the early favorites to fill the fullback spot.

4. Ferris State(Mich.)
5. North Dakota State
6. Carson-Newman(Tenn.)
7. New Haven(Conn.)
8. FORT HAYS STATE
9. North Dakota
10. Virginia State

Starting wide receiver Xavier Brown caught 50 passes for 766 yards and six touchdowns in 1995 to earn honorable mention RMAC honors. Brown should catch the bulk of the passes this season. Converted quarterback Patrick Mintner and Allan Hancock Community College transfer Rodney Mitchell round out the receiving corps.

Three year letterman Mike McGavran, redshirt freshman Gabe Dalton along with junior college transfers Jami Deters and Bryan DeLong should battle for the tight end spot.

Four senior starters return along the offensive front: Brandon Bergstresser (6'5", 274), Mike Kallenberger (6'3", 271), Chad Fuller (5'11", 273) and Ryan Martin(6'3", 261). Martin moved to center midway through last

season and earned second team RMAC honors while Fuller is a two year starter playing both center and guard. Sophomore Clint Albers may have won a starting spot at guard during spring football. Redshirt freshmen Ben Postlethwait and Phillip Johnston join junior college transfers Jason Noreiga and Griff Tracy to add depth to the offensive line. Transfer Myron Grady is also challenging for playing time.

◆Defense◆

The Tiger defense returns five starters to a squad that ranked fourth in the conference in total defense.

The defensive front returns two starters in senior defensive tackle Jeremy Hawks and sophomore defensive end Travis Jenkins. Hawks(6'5", 265) a three-year starter was a second team RMAC selection a year ago and first team honoree in 1994. Jenkins moved from linebacker to defensive end last season where he was third on the team in quarterback sacks with five and seventh on the team with 71 total tackles. Senior Josh Gooch should play the noseguard position this season. The FHSU All-America heavyweight missed most of last season with a knee injury. He played in three games a year ago primarily at offensive tackle. Sophomores Matt Kuhn(6'2", 262) and Derek Brau(5'11", 241) along with Joliet Junior College transfer Damon Williams(6'3", 272) will battle for a starting spot at defensive tackle.

Sophomores Justin Jenkins and Brian Ruder should battle for the other defensive end spot. Justin the younger brother of Travis started several games a year ago while Ruder saw quality playing time as a redshirt freshman. Sophomore John Thyfault and junior college transfer Ty Stucky will also challenge for playing time.

◆1996 Tiger Football Outlook◆

Starting linebackers Mike Lankas and Michael Harge return for their second seasons in the Black & Gold. Lankas started nine games last season at middle linebacker and finished third on the team with 102 tackles to earn honorable mention RMAC honors. Harge started at outside linebacker and was fifth on the squad with 80 tackles. Sophomore Scott Karl started two games a year ago recording 88 tackles good for fourth on the team. Karl should start at one outside linebacker spot this season with Harper Junior College transfer Ryan Buchanan battling for playing time and maybe a starting spot at the other.

The secondary is led by *Sporting News* preseason All-America Keith Eck. A senior safety Eck led the Tigers with five interceptions and was second on the squad with 125 tackles. Eck was an All-RMAC, All-West Region and third team All-America selection in 1995. Both starting cornerbacks from last season are gone but 1994 starter Romario Johnson returns for his senior season. Johnson started on the 1993 FHSU playoff team and the 1994 Tiger football squad finishing fourth on the squad with 56 tackles. He returns to school after sitting out last

season. Junior Brock Hutchinson and senior Lucas Melvin return after gaining valuable experience playing reserve roles last season. Hutchinson a two year letter winner was used in passing situations playing both safety and cornerback. Coffeyville Community College transfer Lester Randall and redshirt freshman Clay Scanlon will also seek playing time in the defensive backfield.

◆Special Teams◆

Coach Cortese will be looking for more consistency from senior place-kicker Jason

Browning. Browning was successful on 81 percent of his extra points and 45 percent of his field goal attempts. Redshirt freshman Rusty Leonard is the early favorite to handle the punting chores. Snapper Justin Stetnish and holder Brock Hutchinson solidify the kicking game.

Speedy receiver Xavier Brown and freshman Jon Harper are the top prospects to return kicks this season.

◆The Schedule◆

The Tigers open the season on the road with traditional rival Emporia State before returning home to play Washburn University. FHSU has not played the Ichabods since 1988.

The RMAC schedule will again be a tough test especially with the addition of Nebraska-Kearney as a conference opponent this season. FHSU travels to both Nebraska-Kearney and Western State on back-to-back weekends. Three of the Tigers first four games will be home contests this season leaving four road games in the last six weeks of the season.

For the first time since 1989 the Tigers will play a 10 game schedule having an open date during week four September 28.

◆Bob Cortese Head Football Coach◆

Bob Cortese begins his seventh season as head coach of the Fort Hays State University football program. In 1990 he took over a struggling FHSU football program and led the Tigers to an 8-4 mark and the school's first ever postseason playoff appearance. Since the 1990 NAIA playoff appearance he has guided the Tigers into the NCAA II playoffs in 1993 and 1995. The 1993 squad captured the school's first Rocky Mountain Athletic Conference football title since joining the league. The 1995 team posted a 6-0-1 Rocky Mountain Athletic Conference mark to tie for the conference crown and Cortese was named RMAC Co-Coach of the Year. Tiger teams have tallied a school record eight victories in a season six times and Cortese has accomplished that feat four times.

Cortese has won 43 games in six seasons as head coach of the Tigers placing him second on the all-time FHSU victories list. He needs seven wins to pass Wayne McConnell as the winningest coach in FHSU history. His average of seven wins per season is tops among Tiger coaches who have coached at FHSU for more than one season. Nationally he ranks sixth among active NCAA II coaches in winning percentage and 12th in career victories. The 100-win plateau came when the Tigers won their final game of the '91 season. His overall record now stands at 127-45-6 in 16 seasons as a collegiate coach. In 15 years coaching in the RMAC he is 86-15-4 in conference play, a winning percentage of .838.

Cortese was named the 18th head football coach in FHSU history, December 29, 1989, after 10 years as head coach at Mesa State College in Grand Junction, Colorado. The Mavericks landed six NAIA playoff berths while establishing an 84-22-3 record with Cortese as head coach. Mesa State posted records of 2-8 and 1-8 during the two seasons prior to Cortese's appointment as head coach. He only had one losing season with the Mavericks and never lost more than three games in any season after his first year.

Along with success comes honors. Cortese was named the NAIA District 7 Coach-of-the-Year six times. He also was a runner-up for NAIA National Coach of the Year honors in 1982 and 1983. In his first year at FHSU he duplicated those honors with NAIA District 10 and runner-up NAIA National recognition.

As a collegiate athlete, Cortese excelled on the football field at Northeastern Junior College in Sterling, CO, where he earned J.C. Grid-Wire and UPI All-America honors in 1962. He went on to spend two successful seasons with the University of Colorado. He earned a bachelor of science degree from Colorado in 1967 with a major in physical education. He completed work on a master's degree in curriculum and instruction with an emphasis in vocational education at the University of Northern Colorado in 1973.

After his playing days at the University of Colorado, Cortese spent two seasons as a graduate assistant in the program and later returned to

the program under both Bill Mallory and Chuck Fairbanks as a full time assistant.

Cortese was a prep coach in Colorado at Lakewood High School (1979-80), Arvada Senior High School (1974-77), Highland High School (1971-74), and St. Joseph High School (1969-71). His coaching mark at all levels is 217-72-7 in 27 seasons.

Cortese is married to wife Toni. Bob has two sons, Jim and Jeff, and Toni has two daughters, Michelle and Andrea.

◆FHSU Football Facilities◆

- ◆**Lewis Field Stadium**◆
Seating Capacity: 5,862
Surface: STADIA-Turf
 (installed in 1993)
Constructed: 1936
- ◆**Alex Francis Track**◆
Surface: Polyurathane
Constructed: 1993

Lewis Field Stadium, the 5,862-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state of the art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black lettering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurathane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

This past summer all the old bench seats were replaced. The new seats include 1,000 chairback seats on the west side and new bench seating in the remainder of the stadium.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

Dressing rooms, concession areas, athletic

training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in 1990 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

The pressbox atop the east grandstand provides seating for writers, statisticians, radio stations and scouts. A new two-story pressbox on the west side is scheduled for completion in 1997.

The east side is made available for all press, radio, FHSU sports information, visiting information personnel, public address, scoreboard operations and a private box for the president of the university and guests.

Outside the limestone wall to the southeast are two football practice fields.

◆Field Strength Facility◆

The Earl and Winona Field Strength Facility is located in 6,814 seat Gross Memorial Coliseum. As a result of the generous contributions of the Field's the room was expanded to include new state of the art weight and workout equipment. The room is 4200 square feet and is used by all of FHSU's 400 athletes.

◆A Review of 1995 Tiger Football◆

FORT HAYS STATE 43, EMPORIA STATE 16

Hays, KS (Sept. 2) With the game tied 10-10 heading into the third period FHSU's Jose Salcido and Elijah McCray III blocked punts on back to back Emporia State series that were recovered in the endzone by Keith Eck and Daren Organ respectively. Both extra point attempts failed and the Tigers led 22-10 on their way to a 43-16 nonconference victory.

Emporia State started off fast, opening a 10-0 lead as quarterback Sean Ponder hit Chet Pobolish for an 11-yard scoring strike and Scott Bauer added a 39-yard field goal in the early part of the second quarter. It would be all FHSU after that as the Tigers scored 29 unanswered points to take a commanding 29-10 lead heading into the fourth quarter. FHSU's Clint Bedore started the scoring frenzy with a 1-yard run after the Tigers marched 70 yards in seven plays. Jason Browning added a 40-yard field goal for a 10-10 tie at halftime.

Following the blocked punts Tiger quarterback Shawn Behr found Xavier Brown for a 23-yard scoring strike making the score 29-10. FHSU closed out the scoring with a 26-yard pass from Behr to Bedore and Emmett Pride scored on a 10-yard run with 2:44 left in the game to make the final score 43-16.

FORT HAYS STATE 47, CHADRON STATE 5
 Hays, KS(Nov. 4) FHSU scored on its first series of the game when Shawn Behr hooked up with Clint Bedore on a 11-yard pass and cruised to a 47-5 victory to improve to 8-1-1 on the season. Linebacker Scott Karl blocked a punt that was recovered by defensive end Jason Flax in the endzone for the Tigers second score and a 13-0 advantage when the Jason Browning kick was unsuccessful. Following a CSC fumble FHSU marched 82 yards on 7 plays that was capped off by a Lance Schwindt from Behr 20-yard touchdown pass. Kahn Powell caught the two-point conversion pass from Behr and the Tigers led 21-0. All of CSC's scoring came in the second quarter as Scott Doyle connected on a 34-yard field goal and a FHSU botched punt resulted in a safety making the score 21-5 at halftime.

FHSU scored 26 unanswered second half points on their way to the Rocky Mountain Athletic Conference victory and setting up the RMAC Championship showdown with Western State the following week. Behr again surpassed the 300 yard mark for the fifth consecutive week with 307 yards and four touchdown passes. Xavier Brown led all receivers with 130 yards on 9 receptions and a touchdown catch. Schwindt broke the school record for touchdowns in a season with his 12th touchdown reception and receiving yards in a season with 1,025.

FORT HAYS STATE 27, WESTERN STATE 27

Gunnison, CO(Nov. 11) Trailing 27-13 with six minutes remaining in the game that would decide the Rocky Mountain Athletic Conference Championship FHSU began to mount a comeback. The Tigers marched the ball down the field using 14 plays to cover the 80 yards culminating in a Lance Schwindt from Shawn Behr 4-yard touchdown pass cutting the WSC lead to 7, 27-20. FHSU elected to kick the ball deep with just 2:14 left in game. FHSU held on downs and forced a Mountaineer punt which was blocked by line-backer Jose Salcido and recovered by defensive lineman Daren Organ at the WSC 29 yardline with one minute remaining. Two plays later Behr found Xavier Brown open on a crossing pattern for a touchdown. The Jason Browning kick was good and the game was tied at 27-27. WSC moved the ball to the Tiger 39 yardline but Salcido again stepped to the forefront intercepting the Jason Davis pass to stop the threat. The game ended in a tie with both teams claiming a share of the RMAC title.

FHSU scored first on a 15-yard pass to Schwindt from Behr. Browning's kick failed and FHSU led 6-0. WSC scored twice on Ryan Gentry from Davis touchdown passes. One-of-two extra points were good and WSC led 13-6 at halftime. Davis provided the only scoring of the third quarter on a 13-yard run putting WSC ahead 20-7 heading into the final quarter. Frank Martin scored on a 32-yard pass from Behr pulling FHSU within 7 at 20-13. WSC scored on their next series on a Tony Rosso from Davis 4-yard pass pushing the Mountaineer advantage to 14, 27-13. The final six minutes belonged to the Tigers as they knotted the game at 27-27.

Behr passed for 307 yards and four touchdowns. It was the sixth consecutive time he surpassed the 300 yard mark. Schwindt caught 9 passes for 123 yards and two touchdowns.

◆Fort Hays State University◆

Founded in 1902 on the Plains of western Kansas, Fort Hays State University is the second youngest of the state's six universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our university has grown to a student body of 5,800, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of more than 1,500 courses.

Fort Hays State University is governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the university. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only a tranquil, conducive learning atmosphere, but also serves as a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. A progressive city of 18,000 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city

that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The university is comprised of four colleges: Arts and Sciences, Business, Education, and Health and Life Sciences, and a Graduate School.

FHSU is academically superior to many comparable universities, offers students an electronic learning and living environment and is richly endowed by heritage and tradition. Surveys of our students show that while there are a multitude of reasons why students come to our University, their overwhelming response is always "because of the university's reputation for academic excellence and its caring faculty."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in eight men's and six women's sports.

FHSU is a member of the Rocky Mountain Athletic Conference which is comprised of 14 schools from the states of Kansas, Colorado, Nebraska and New Mexico.
